The Board of Governors brings to the attention of parents the following points:

- The School will endeavor to hold fees at the same level for the whole of the academic year. However, should the economic situation deteriorate, the Board reserves the right to raise fees on a termly basis.
- Charges from the bank for financial transactions (Telegraphic Transfer, Banker's Drafts) and dishonored ("bounced") cheques, will be added to the Family Fee Account. Dishonored cheques will attract an additional USD100 administration fee.
- Interest (currently 5%) will be added to any outstanding balances beginning one week after fees become due and at monthly intervals thereafter.
